

CUMMING CIVITAN CLUB

Dear, Prospective Sponsor,

Cumming Civitan Club ("CCC") is honored to once again have been selected as a beneficiary to Frogtown Trail Challenge race. Because CCC has entered into a Joint Sponsorship Agreement with the Georgia District Civitan Foundation, we are tax deductible for this event. Therefore the "Letter of Authorization" is in the Foundation's name. Under our Joint Sponsorship Agreement, 100% of your donation can only be spent on 501(c) 3 organizations, scholarships and other charitable purposes. Supporting documentation can be provided if you wish.

Thus far, using the proceeds from the 2016 FTC, we've been able to make donations to the below organizations and accomplish the following:

- **\$12,000 - City of Cumming Parks and Recreation to fund a section of the new city park with playground equipment for special needs children and adults.**
- **\$2,500- Forsyth County School System's Extended School Year Program for special needs children.**
- **\$3500 - High School Students from Forsyth County Schools were each honored with Scholarship from our Joyce Hawkins Memorial Scholarship Fund.**
- **\$1,300 - Creative Enterprises, a new organization started by Lisa Bennett which will help young adults with special needs become productive, wage earning members of our community.**
- **\$1,000 - Postage for Treat the Troops, Southern Style, a local organization which sends boxes of cookies and other treats to our deployed armed forces 4 times a year.**

Please take a few minutes to review the enclosed information about Civitan and the FTC. There are a lot of special needs children and adults in Forsyth County who could use our help.

Yours truly,

Kelli Warren
Vice President/Incoming President
Cumming Civitan Club
