

July 31, 2017

Dear Prospective Sponsor,

Thank you for considering a donation to Trail Life USA (TLUSA) and American Heritage Girls (AHG) GA Troop 1331 and being a Frogtown Trail Challenge Sponsor.

Our Troop combines both TLUSA and AHG, which allows us to focus on bringing families together to create a powerful boys and girls program. Family participation is the standard, dynamic leadership opportunities are provided, useful, real-world skills are learned, and purpose is discovered through service to others in our local community. Our desire through donations like yours is to grow in our ability to offer a high quality, adventure-filled program in keeping with the mission and vision of TLUSA and AHG and expand our ability to serve locally. TLUSA & AHG are scouting organizations with the following mission statements:

Trail Life USA

To guide generations of courageous young men to honor God, lead with integrity, serve others and experience outdoor adventure.

American Heritage Girls

Building women of integrity through service to God, family, community and country.

The Frogtown Trail Challenge (FTC) is an annual trail race adventure that has been held in north Forsyth County since 2009. It attracts hundreds of trail enthusiasts and families from the metro and surrounding areas. The founding purpose of this race is to select beneficiaries to receive race proceeds and donations while offering the community a fun and challenging outdoor adventure. In the process, FTC supports and publicly recognizes local businesses and individual donors as our partners. Your donation would go directly to Troop 1331 adventure outings, camps and equipment for the youth in our program.

TLUSA and AHG are both nationally 501c3 organizations, yet Troop 1331 falls under the non-profit status of our Charter Organization, Grace Fellowship of South Forsyth. Your donation is tax-deductible, greatly appreciated and extremely valuable to our Troop. Thank you for your consideration and generosity!
